INDIAN ASSOCIATION FOR THE CULTIVATION OF SCIENCE
2A & 2B Raja SC Mullik Road, Jadavpur, Kolkata 700032, India

Advt No. BBD/SBS/72 **Date: 25-11-2026**

Advertisement for Research Associate I position in School of Biological Sciences at Indian Association for the Cultivation of Science (IACS).

Name of the post: **Research Associate I (RA-1) positions funded by IACS.**

No. of the post: **1 (One)**

Essential Qualifications: The candidate should be PhD in Molecular Biology and Biochemistry with experience in PARP1-Topoisomerase 1 research. Candidates with expertise in the subject area can apply.

Research Area: Research in our lab is focused in understanding the molecular mechanism of DNA damage response pathways connecting PARP1 and Top1. We are especially interested to uncover stress induced novel post-translational modification of proteins and evaluate their role in genome maintenance.

Nationality: Applicant should be an Indian citizen.

Fellowship: As per IACS rule.

Duration: One year and may be extendable based on the performance.

Date of interview: Online interview will be held on 01.12.2026 at 1.00 P.M. in Indian Association for the Cultivation of Science (IACS). **The shortlisted candidates will be call for online interview.**

No TA will be admissible for attending the interview.

The interested candidates may send the complete resume (mentioning email address).

For further details candidates may contact: Prof. Benu Brata Das. PhD, School of Biological Sciences, IACS, Kolkata, E-mail: pcbbd@iacs.res.in
