

ONE-DAY NATIONAL SEMINAR ON PHYSICS EDUCATION AND BASIC RESEARCH

July 15, 2011

Organised
by :

Indian Physical Society and
Saha Institute of Nuclear Physics

National Advisory Committee

M.K.Sanyal (SINP)
N.Mukund (IISc)
Srikumar Bannerjee (DAE)

Organising Committee

Debades Bandyopadhyay, Convener (SINP)
A.I.Zaman, (SINP)
Amlan J. Pal (IACS)
Arun.K.Pal , Treasurer (SINP)
Harashit Majumdar, (RKMVU)
Indrani Bose (BI)
Kalyan Mandal (SNBNCBS)

Invited Speakers

Srikumar Banerjee* (DAE)
Mustansir Barma* (TIFR)
N. Mukunda (IISc)
M.K.Pal (Ex-SINP)
Milan K. Sanyal (SINP)

**to be confirmed*

As a concluding part of Platinum Jubilee celebration of **Indian Physical Society** (the first ever association of Indian physicists) and in keeping with its main objectives of promotion of physics education and research, the Society is organizing a one-day national seminar to discuss and deliberate on the trends in physics research in India during last 50 years or so. The seminar will also address the aspects of physics education and research in the evolution of effective methodology of physics teaching and learning to facilitate better and deeper understanding of the subject.

The Seminar will consist of invited talks in different relevant topics.

A special issue of "Physics Teacher" will be released on this occasion.

Call For Participation : Interested students/scholars/teachers/researchers are requested to apply for registration in a plain paper / e-mail addressed to the Convener latest by **30th June, 2011**.

Relevant Information And Deadlines:

Venue: Auditorium, Saha Institute of Nuclear Physics, Kolkata

Date : July 15, 2011

Last date of submission of application: June 30, 2011
