RA-I selection in the School of Biological Sciences

Applications are invited for the IACS-funded position of Research Associate-I (RA-I)/bridging fellow (1 post) in the group of Prof. Arindam Banerjee, School of Biological Sciences, Indian Association for the Cultivation of Science (IACS). Interested candidates with the following qualifications are required to apply along with a full bio-data through email to bcab@iacs.res.in **Last date for receiving the application is 13th December, 2022 within 5:00 PM (application should be sent on bcab@iacs.res.in)**

The applications will be shortlisted based on academic credential and research experience supported by publications in peer-reviewed journals. Interview through online mode for a Research Associate-I/ bridging fellow will be held in the School of Biological Sciences, IACS on **14th December, 2022 from 3:30PM onwards**. Selected candidates will be called for the interview.

Essential qualifications: The candidate should have a Ph.D. degree in Chemistry / Bio-chemical science /has submitted his/her thesis in order to be eligible to apply. Preference will be given to candidates with research experience in self-assembly of peptide-based molecules, hydrogel/organogel, imide, metal nanoclusters and core substituted naphthalenediimide.

Minimum marks of 55% in B.Sc. and M.Sc. are mandatory.

Tenure of Fellowship: One year from the date of joining, which may be extended for another year based on performance to be reviewed by a committee. The position is purely temporary and the candidate will have no right to claim (explicit or implicit) any post in the institute.

Age Limit:34 years. Age relaxation is applicable as per govt. rule.

Emoluments: The fellowship amount will be as per IACS rules.

The post is purely temporary and No TA will be admissible for attending the interview.
