

Indian Association for the Cultivation of Science

(Deemed to be University under *de novo* category under Section 3 of the University Grants Commission (UGC) Act, 1956; vide Gazette Notification No.F.9-7/2017-U.3 (A) of the Central Government)

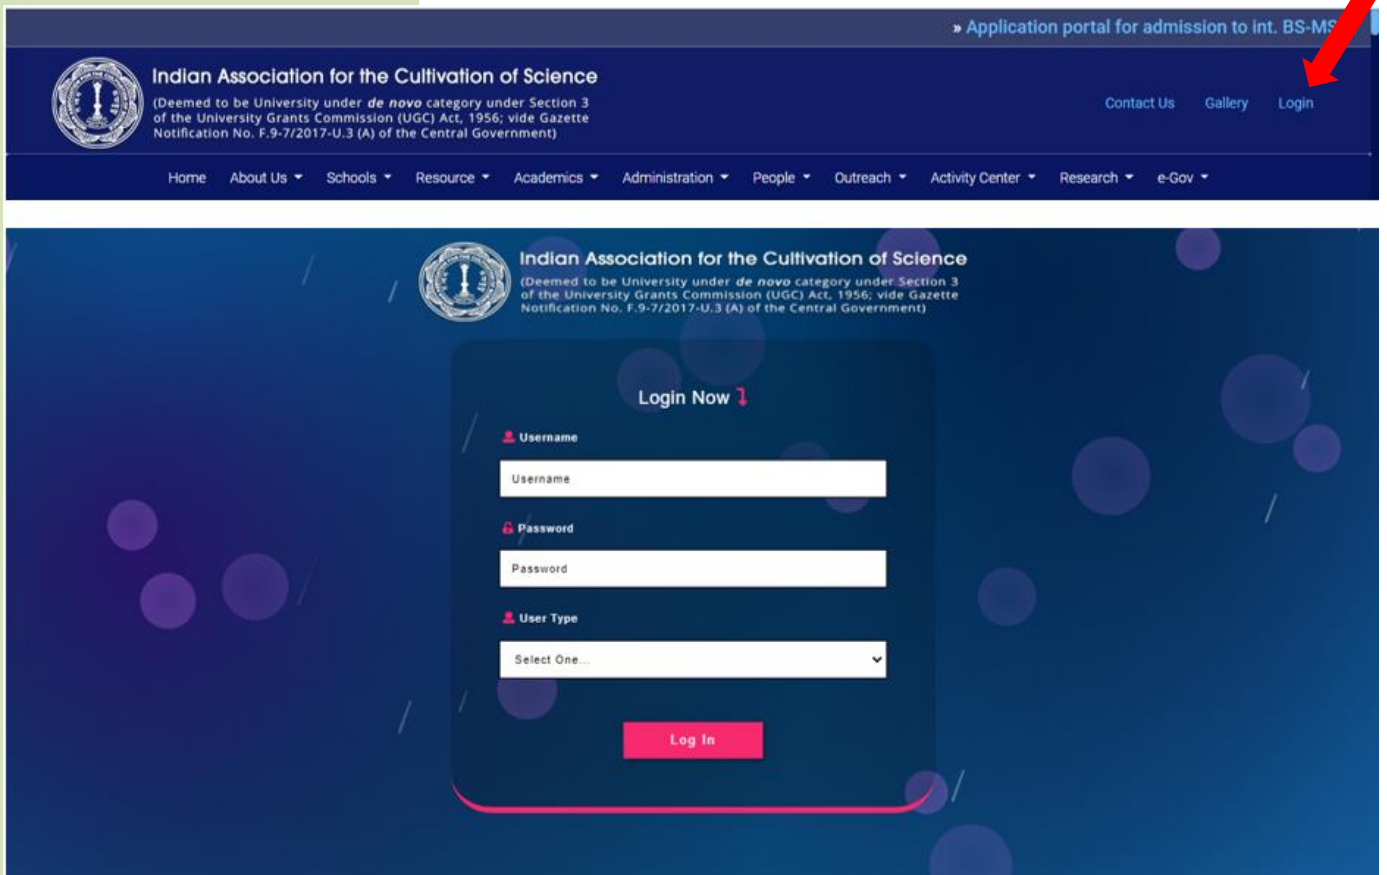

UserGuide

IACS New Website

Faculty Admin

Every Faculty has their own pages, and also have their admin panel. To maintain individual faculty page, please login through the faculty admin which is situated in faculty page, at the right side of the IACS logo from.

The screenshot shows the IACS website header with the logo and navigation menu. The main content area features a login form with the following fields:

- Username**: A text input field.
- Password**: A text input field with a password icon.
- User Type**: A dropdown menu with the text "Select One..." and a downward arrow.
- Login**: A red button.

Below the login form, there is a "Login Now" link with a red arrow pointing to it.

After Successful login user will be in their personal Admin panel.

In Admin panel there are 15 modules.

List of Modules: -

1. Heading
2. Paragraph
3. Bullets
4. Numbering
5. Single Image
6. C'Div 1
7. Testimonials
8. File Upload
9. Marquee
10. Page Menu
11. Name Card
12. Button
13. Video
14. Research
15. Text Editor

Abhijit Kumar Das

School of Mathematical & Computational Sciences

Sub. Dept.

Senior+Professor 91 33 2473 4971 (Ext: 1257)

Choose File No file chosen

Change Password Update

Modules:

- 1. Heading
- 2. Paragraph
- 3. Bullets
- 4. Numbering
- 5. Single Image
- 7. C'Div 1
- 8. Testimonials
- 9. File Upload
- 10. Marquee
- 11. Page Menu
- 12. Name Card

Page Architecture:

Modules

Personal Details: - User can update their password and can change the image, phone number, department, sub department and position or designation.

Please Note: - This update will save in database and it will reflect on School pages and Research pages.

Module

1. Heading-

Indian Association for the Cultivation of Science: Web Admin Panel

Logout

- Heading

CREATE HEADING +

Write your heading *

-Image- Choose div space Heading type

on Text Colour: Background Colour:

Flag for Page Menu Save

IACS001-

Guideline:

- Div space follow the Bootstrap div management
- Image on or off, reflects the new tag
- On - for display control
- Position handles the object positioning
- Fillup all the fields, recommended. Else error display.

MANAGE HEADING

Format: Heading - Heading Type - Position No. - Div Management

Home

- h4 - 2 - 12

Theoretical and Computational Research Group

- h4 - 2.001 - 12

RESEARCH INTEREST

- h4 - 2.002 - 12

Academic Profile

- h4 - 3 - 12

Academic qualifications:

- h4 - 3.001 - 12

Purpose: - Create heading.

Guideline: -

- ✓ Image on off: - Image on or off, to insert new.gif image (Blink text)
- ✓ Div Space: - Div space follows the Bootstrap div management. User can choose div space between 1 to 12. If User chose 12 then the heading will place with full width of screen in public view. If user chose 6, then heading will be placed with half width of screen. (Please note: - the screen which was mentioned was between desktop screen to tablet screen)
- ✓ Heading type: - User can chose h1 to h6. This will configure the heading font-size. h1 is the biggest one and h6 is the smallest one.
- ✓ On off: - This is for display control over public view.
- ✓ Text Colour: - To give a colour of a text please select colour.
- ✓ Background Colour: - To give background color of the text please select colour.
- ✓ Position: - Position handles the object positioning (example:1.0001or9.009)
- ✓ Flag: - It is use for Page Menu Creation.
- ✓ It is recommended to fill-up all the fields, else error will be displayed.
- ✓ Edit and Delete option was placed in right side of the page.

2.

Paragraph-

Indian Association for the Cultivation of Science: Web Admin Panel

Welcome, admin | Logout

- Paragraph

CREATE PARAGRAPH +

Write your context, 4000 alphabets

Choose div space

on

Position

Save

Guideline:

- Div space follow the Bootstrap div management
- On - for display control
- Position handles the object positioning
- Fillup all the fields, recommended. Else error display.

MANAGE PARAGRAPH CONTEXT

Format: Paragraph - Position No. - Div Management

- 1.002 - 12

Theoretical Study of Biological and Toxic compounds
Development of methodology to study van der Waals complexes.
Reaction mechanism to detoxify model Nerve agents in gas phase and on surface.
Hydrogen storage materials.
Chemical Vapor Deposition (CVD) from single source precursor.
Clusters and Catalytic oxidation on oxide clusters.
Controlling agostic phenomena by substitution and orientation
Structure and reactivity of Endohedral Metallofullerens (EMFs)
Binding interaction of metal ions with artificial amino acids Superhalogen & Superalkali

- 2.003 - 9

University/Institution	Period	Position
Indian Association for the Cultivation of Science, Dept. of Spectroscopy	1998 to 2001	Lecturer
Indian Association for the Cultivation of Science, Dept. of Spectroscopy	2001 to 2005	Senior Lecturer

Purpose: - Create paragraph.

Guideline: -

- ✓ Div Space: - Div space follow the Bootstrap div management. User can choose div space between 1 to 12. If User chose 12 then the heading will place with full width of screen in public view. If user chose 6, then heading will be placed with half width of screen. (Please note: - the screen which was mentioned was between desktop screen to tablet screen)
- ✓ On off: - This is for display control over public view.
- ✓ Text Colour: - To give a colour of a text please select colour.
- ✓ Background Colour: - To give background colour of the text please select colour.
- ✓ Position: - Position handles the object positioning (example:1.0001or9.009)
- ✓ It is recommended to fill-up all the fields; else error is displayed.
- ✓ Edit and Delete option was placed in right side of the page.

3.

Bullets –

The screenshot displays the 'Indian Association for the Cultivation of Science: Web Admin Panel' interface. The top navigation bar includes the logo and the text 'Indian Association for the Cultivation of Science: Web Admin Panel'. The user is logged in as 'admin' and can click 'Logout'. The main content area is titled '- Bullet Points' and is divided into two columns.

CREATE BULLET POINTS +

Point1, Point2, Point3,...

Please use * for, as multiple point separator

Choose div space on Position Save

ADD LINK:

Paste/write Link

Update Link

Guideline:

- Mention different points using "*" as separator in the textbox.
- Div space follow the Bootstrap div management
- On - for display control
- Position handles the object positioning
- Fillup all the fields, recommended. Else error display.
- Paste the required link once the bullet points are created

MANAGE BULLET POINTS

Format: Position No. - Div Management
Bullet Points

2.003 - 9

- Theoretical Study of Biological and Toxic compounds
- Development of methodology to study van der Waals complexes.
- Reaction mechanism to detoxify model Nerve agents in gas phase and on surface.
- Hydrogen storage materials
- Chemical Vapor Deposition (CVD) from single source precursor.
- Clusters and Catalytic oxidation on oxide clusters. Controlling agostic phenomena by substitution and orientation
- Structure and reactivity of Endohedral Metallofullerens (EMFs)
- Binding interaction of metal ions with artificial amino acids Superhalogen & Superaikali

3.002 - 12

- B.Sc., Ramakrishna Residential College, Narendrapur, Calcutta University.
- M.Sc., Science College, Rajabazar, Calcutta University.
- Ph.D., Indian Association for the Cultivation of Science, Jadavpur University.

3.004 - 12

- 1996-97 Department of Chemistry, University of New Brunswick, NB, Fredericton, Canada (Advisor: Professor A. J. Thakkar) .
- 2000-02 JSPS Fellow, Department of Synthetic Chemistry and Biological Chemistry, Faculty of Engineering, Kyoto University, Kyoto, Japan (Advisor: Professor Hiroshi Nakatsuji)

5.017 - 12

- 142. Advances on Understanding Coke Gasification Process with CO₂: A Report from Density Functional Theory
Tanav Debnath, Kaushik Sen, A. Suresh, Pratik Swarup Dash, Abhijit K Das Chemistrv Select (Just Accepted)

Purpose: - Create bullets.

Guideline: -

- ✓ Div Space: - Div space follow the Bootstrap div management. User can choose div space between 1 to 12. If User chose 12 then the heading will place with full width of screen in public view. If user chose 6, then heading will placed with half width of screen. (Please note: - the screen which was mentioned was between desktop screen to tablet screen)
- ✓ On off: - This is for display control over public view.
- ✓ Position: - Position handles the object positioning (example:1.0001or9.009)
- ✓ It is recommended to fill-up all the fields; else error is displayed.
- ✓ Edit and Delete option was placed in right side of the page.
- ✓ Paste the required link once the bullet points are created. (Click the point from right side of the screen, point will show in the left side under the ADDLINK text. Put the URL, and update link.)

4.

Numbering –

The screenshot displays the 'Indian Association for the Cultivation of Science: Web Admin Panel' interface. The top navigation bar includes the logo and the text 'Indian Association for the Cultivation of Science: Web Admin Panel'. The user is logged in as 'admin' and can click 'Logout'. The main content area is titled '- Numbering Points' and is divided into two columns.

CREATE NUMBERING POINTS +

Point1, Point2, Point3,...

Please use * for, as multiple point separator

Choose div space on Position Save

ADD LINK:

Paste/write Link

Update Link

Guideline:

- Mention different points using "*" as separator in the textbox.
- Div space follow the Bootstrap div management
- On - for display control
- Position handles the object positioning
- Fillup all the fields, recommended. Else error display.
- Paste the required link once the bullet points are created

MANAGE NUMBERING POINTS

Format: Position No. - Div Management
Numbering Points

Purpose: - Create numbering.

Guideline: -

- ✓ Div Space: - Div space follow the Bootstrap div management. User can choose div space between 1 to 12. If User chose 12 then the heading will place with full width of screen in public view. If user chose 6, then heading will placed with half width of screen. (Please note: - the screen which was mentioned was between desktop screen to tablet screen)
- ✓ On off: - This is for display control over public view.
- ✓ Position: - Position handles the object positioning (example:1.0001or9.009)
- ✓ It is recommended to fill-up all the fields; else error is displayed.
- ✓ Edit and Delete option was placed in right side of the page.
- ✓ Paste the required link once the bullet points are created. (Click the point from right side of the screen, point will show in the left side under the ADDLINK text. Put the URL, and update link.)

5. Single Image -

Purpose: - Create Single Image.

Guideline: -

- ✓ ImageResolution:72 dpi|FileSize:250kb (Max.)
- ✓ Div Space: - Div space follow the Bootstrap div management. User can choose div space between 1 to 12. If User chose 12 then the heading will place with full width of screen in public view. If user chose 6, then heading will placed with half width of screen. (Please note: - the screen which was mentioned was between desktop screen to tablet screen)
- ✓ On off: - This is for display control over public view.
- ✓ Position: - Position handles the object positioning (example:1.0001or9.009)
- ✓ It is recommended to fill-up all the fields; else error is displayed.
- ✓ Edit and Delete option was placed in right side of the page.

6. C'Div1 -

Purpose: - Create Custom Div 1.

Guideline: -

- ✓ Div Space: - Div space follow the Bootstrap div management. User can choose div space between 1 to 12. If User chose 12 then the heading will place with full width of screen in public view. If user chose 6, then heading will placed with half width of screen. (Please note: - the screen which was mentioned was between desktop screen to tablet screen)
- ✓ Choose an image, & insert content heading & paragraph for specific style division.
- ✓ On off: - This is for display control over public view.
- ✓ Position: - Position handles the object positioning (example:1.0001or9.009)
- ✓ It is recommended to fill-up all the fields; else error is displayed.
- ✓ Edit and Delete option was placed in right side of the page.

7. Testimonials

The screenshot displays the 'Indian Association for the Cultivation of Science: Web Admin Panel'. The top navigation bar includes a logo, the site name, and a user greeting 'Welcome, admin | Logout'. Below this, a breadcrumb trail shows '- Testimonial' with a back arrow. The main content area is divided into two sections: 'CREATE TESTIMONIAL +' and 'MANAGE TESTIMONIAL'. The 'CREATE TESTIMONIAL +' section contains a 'Content Heading' input field, a large text area for 'Write your context with details', a 'Choose File' button (showing 'No file chosen'), 'Facebook Link' and 'Twitter Link' input fields, a 'Choose div space' dropdown, a 'Heading type' dropdown (set to 'on'), a 'Position' input field, and a 'Save' button. Below these fields is a 'Guideline' section with a bulleted list of instructions. The 'MANAGE TESTIMONIAL' section shows a 'Format: Caption - Context -' dropdown.

- Facebook, Twitter Links are optional

MANAGE TESTIMONIAL

Format: Caption - Context -

Purpose: - Create Testimonial.

Guideline: -

- ✓ ImageResolution:72 dpi| FileSize:250kb (Max.)
- ✓ Div Space: - Div space follow the Bootstrap div management. User can choose div space between 1 to 12. If User chose 12 then the heading will place with full width of screen in public view. If user chose 6, then heading will placed with half width of screen. (Please note: - the screen which was mentioned was between desktop screen to tablet screen)
- ✓ Chose an image, & insert content heading & paragraph for specific style division.
- ✓ On off:- This is for display control over public view.
- ✓ Position: - Position handles the object positioning (example:1.0001or9.009)
- ✓ It is recommended to fill-up all the fields , else error is displayed.
- ✓ Edit and Delete option was placed in right side of the page.
- ✓ Paste the required link once the bullet points are created
- ✓ Facebook, Twitter Links are optional

8. **File Upload –**

Indian Association for the Cultivation of Science: Web Admin Panel

Welcome, admin | Logout

- File Handling

UPLOAD FILES +

Choose File No file chosen

File Heading

Choose div space on Position Save

Guideline

- Div space follow the Bootstrap div management
- On - for display control
- Position handles the object positioning
- Fillup all the fields, recommended. Else error display.
- Recommended file format .doc/.pdf/.xls etc.

MANAGE FILES

Format: Position No. - Div Management

Purpose: – Create File Upload.

Guideline: –

- ✓ Recommended file format.doc/.pdf/.xls etc.
- ✓ Give a heading for file. In public view this heading will be shown as a link. If click on the heading file will be shown in new tab.
- ✓ Div Space: - Div space follow the Bootstrap div management. User can choose div space between 1 to 12. If User chose 12 then the heading will place with full width of screen in public view. If user chose 6, then heading will placed with half width of screen. (Please note: - the screen which was mentioned was between desktop screen to tablet screen)
- ✓ On off:- This is for display control over public view.
- ✓ Position: - Position handles the object positioning (example:1.0001or9.009)
- ✓ It is recommended to fill-up all the fields , else error is displayed.
- ✓ Edit and Delete option was placed in right side of the page.

9. **Marquee –**

Indian Association for the Cultivation of Science: Web Admin Panel

Welcome, admin | Logout

- Marquee

CREATE MARQUEE +

Marquee Text

Marquee Link (if any.)

Choose div space on Position Save

Guideline

- Div space follow the Bootstrap div management
- On - for display control
- Position handles the object positioning
- Fillup all the fields, recommended. Else error display.

MANAGE MARQUEE

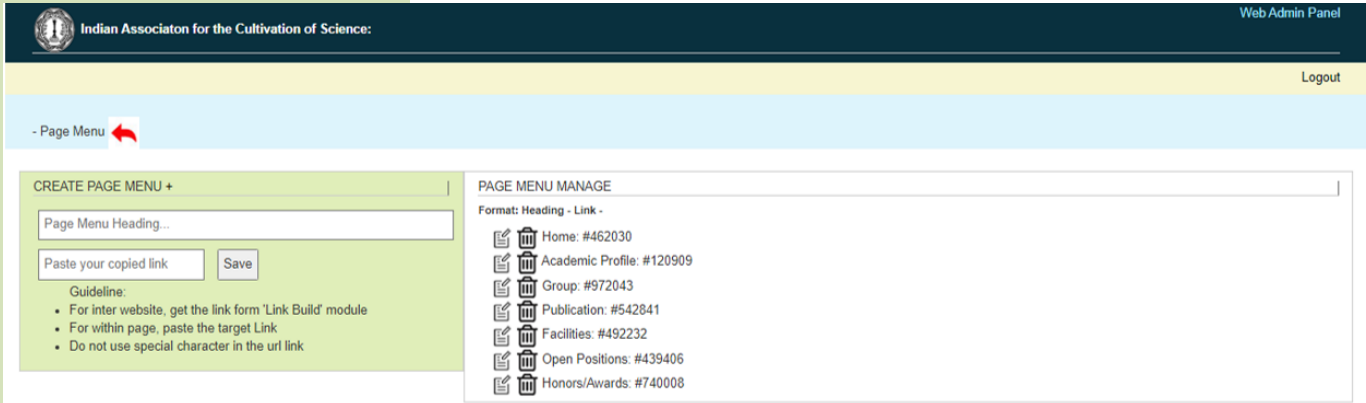

Format: Marquee - Position No. - Div Management

Purpose: – Create Marquee.

Guideline: –

- ✓ Give a Marquee text. Marquee will visible in public view, where the text moved ride side to left side continuously.
- ✓ Give a link of the marquee text.
- ✓ Div Space: - Div space follow the Bootstrap div management. User can choose div space between 1 to 12. If User chose 12 then the heading will place with full width of screen in public view. If user chose 6, then heading will placed with half width of screen. (Please note: - the screen which was mentioned was between desktop screen to tablet screen)
- ✓ On off:- This is for display control over public view.
- ✓ Position: - Position handles the object positioning (example:1.0001or9.009)
- ✓ It is recommended to fill-up all the fields , else error is displayed.
- ✓ Edit and Delete option was placed in right side of the page.

Page Menu -

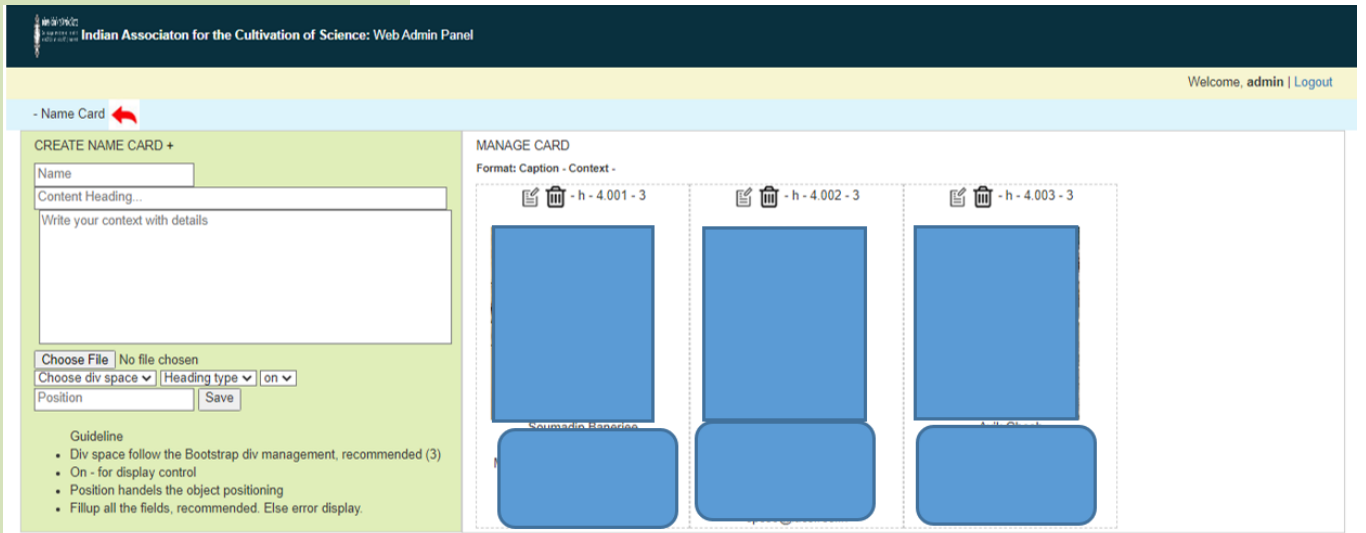

Purpose: - Create Page Menu.

Guideline: -

- ✓ Enter a page menu name,
- ✓ Page menu will be present in left side of public view. This menu can redirect focus accordingly the menu location in the same page.
- ✓ Copy the code for the target heading, and paste there.
- ✓ It is recommended to fill-up all the fields , else error is displayed.
- ✓ Edit and Delete option was placed in right side of the page.

Name Card -

Purpose: - Create Name Card.

Guideline: -

- ✓ This Name card will be present in public view like: - Name will be placed in top, after that image will be placed and then heading & details.
- ✓ Name card usually we used for the group member.
- ✓ ImageResolution:72 dpi| FileSize:250kb (Max.)
- ✓ Insert Name, Heading & Details.
- ✓ Div Space: - Div space follow the Bootstrap div management Recommended (3)
- ✓ On off:- This is for display control over public view.
- ✓ Position: - Position handles the object positioning (example:1.0001or9.009)
- ✓ It is recommended to fill-up all the fields , else error is displayed.
- ✓ Edit and Delete option was placed in right side of the page

12.

Button –

The screenshot displays the 'Indian Association for the Cultivation of Science: Web Admin Panel'. The top navigation bar includes 'Welcome, admin | Logout'. The main content area is divided into two sections: 'CREATE BUTTON +' and 'MANAGE MARQUEE'. The 'CREATE BUTTON +' section contains a form with fields for 'Button Text', 'Button Link (if any.)', 'Choose div space' (a dropdown menu), 'on' (a checkbox), and 'Position' (a text input). A 'Save' button is located at the bottom right of the form. Below the form, a 'Guideline' section lists instructions: 'Specify Button name', 'Div space follow the Bootstrap div management', 'On - for display control', 'Position handles the object positioning', 'Fillup all the fields, recommended. Else error display.', and 'Paste the required link, no special character'. The 'MANAGE MARQUEE' section on the right shows the format 'Format: Marquee - Position No. - Div Management'.

Purpose: – Create Button.

Guideline: –

- ✓ Specify Button name& Link.
- ✓ Div Space: - Div space follow the Bootstrap div management Recommended (1)
- ✓ On off:- This is for display control over public view.
- ✓ Position: - Position handles the object positioning (example:1.0001or9.009)
- ✓ It is recommended to fill-up all the fields , else error is displayed.
- ✓ Edit and Delete option was placed in right side of the page.

13.

Video –

The screenshot displays the 'Indian Association for the Cultivation of Science: Web Admin Panel'. The top navigation bar includes 'Welcome, admin | Logout'. The main content area is divided into two sections: 'CREATE VIDEO +' and 'MANAGE VIDEO'. The 'CREATE VIDEO +' section contains a form with fields for 'Video heading', 'Video URL (YouTube)', 'Choose div space' (a dropdown menu), 'on' (a checkbox), and 'Position' (a text input). A 'Save' button is located at the bottom right of the form. Below the form, a 'Guideline' section lists instructions: 'Div space follow the Bootstrap div management', 'On - for display control', 'Position handles the object positioning', and 'Fillup all the fields, recommended. Else error display.'. The 'MANAGE VIDEO' section on the right shows the format 'Format: Video - Position No. - Div Management'.

Purpose: – CreateVideo Link.

Guideline: –

- ✓ Specify Video name & Link Recommended (YouTube Link).
- ✓ Div Space: - Div space follow the Bootstrap div management Recommended (1)
- ✓ On off:- This is for display control over public view.
- ✓ Position: - Position handles the object positioning (example:1.0001or9.009)
- ✓ It is recommended to fill-up all the fields , else error is displayed.
- ✓ Edit and Delete option was placed in right side of the page.
