

# Indian Association for the Cultivation of Science

## Deemed to be University

Advt. No. TKP/SCS/002

Dated: 02/01/2024

### Research Associate-I Position in the School of Chemical Sciences, IACS

Applications are invited for the position of Research Associate-I (Institute funded) in the group of Prof. Tapan Kanti Paine, School of Chemical Science, Indian Association for the Cultivation of Science. Applications with complete bio-data may be sent by email to [ictkp@iacs.res.in](mailto:ictkp@iacs.res.in) by January 14, 2024.

The applications will be shortlisted based on academic credential and research experience supported by publications in peer-reviewed journals. Shortlisted candidates will be requested to appear for an interview in the 3<sup>rd</sup> or 4<sup>th</sup> week of January 2024. The exact date and time of interview will be communicated to the shortlisted candidates only.

**Essential Qualifications:** The candidate should have a PhD degree in Chemistry with research experience in synthetic inorganic chemistry with special focus on bioinspired inorganic chemistry. Knowledge in electrochemistry, catalysis and spectroscopy is desirable. Candidates who have submitted their PhD thesis are also eligible to apply but their final selection and emoluments will be guided by the rules of IACS.

**Research Area:** Biomimetic inorganic chemistry and bioinspired catalysis.

**Duration:** One year from the date of joining as RA-I. However, an extension for another year may be granted based on satisfactory performance.

**Emoluments:** As per the rules of the institute.

The position is purely temporary, and the candidate will not have any right to claim (explicit or implicit) any permanent post in the Institute. No TA will be admissible for attending the interview.

**For further details, candidates may contact:**
