

Indian Association for the Cultivation of Science
2A & 2B, Raja S.C. Mullick Road, Kolkata-700032

ADV. No.: AM/SCS/48

Date: 02/09/2026

Applications are invited for two RA-I (Institute) positions under the supervision of Prof. Amit Majumdar, School of Chemical Sciences, Indian Association for the Cultivation of Science.

Name of the post: Research Associate-I

Number of posts: Two (02)

Research Area:

Broad Research Area: Inorganic & Bioinorganic Chemistry

Specific Research Area: Transition metal mediated generation and reactivity of Sulfur-Nitrogen Crosstalk Species

Essential Qualifications: The candidates should have a Ph.D. degree in Chemical Sciences / Chemistry. Candidate should have well established research experience in bioinorganic chemistry, most preferably in the area of nitrite reduction, nitric oxide chemistry and sulfur/nitrogen crosstalk species. The claimed experience should be supported by publications in internationally reputed journals.

Fellowship: As per rules of IACS.

Age limit: Should be below 35 years on the date of application. Age relaxation is applicable as per Govt. rule.

Tenure of Fellowship: **One (01) year** from the date of joining as RA-I. The candidate will have no right to claim (explicit or implicit) any post in the institute.

Note: No TA/DA will be admissible for attending the interview.

Application Procedure: The interested candidates should send a cover letter along with their resume (mentioning email address and phone number) as a single PDF to Prof. Amit Majumdar via email (icam@iacs.res.in) on or before 5 PM, 24/09/2026. Applications received after this time and date will not be entertained.

Only the shortlisted candidates will be notified regarding the date and time of the interview.

For further details and clarifications, if any, the candidates may contact:

Prof. Amit Majumdar, Senior Professor
