

INDIAN ASSOCIATION FOR THE CULTIVATION OF SCIENCE
Jadavpur, Kolkata - 700032

Adv No: SR/SMS/069

Date: 05-12-2023

Applications are invited for an interview to be held on January 4, 2024 in Indian Association for the Cultivation of Science for the post of one RA-I/Bridging fellow in the School of Materials Sciences.

Essential Qualifications:

Good academic record and publications with the career status as thesis colloquium completed/thesis submitted/Ph.D. Degree obtained. Expertise in Experimental Condensed Matter Physics, preferably having experience in Solid State Synthesis, Crystal Growth, and Synchrotron based Spectroscopic measurements, will be preferred. Candidates who have completed thesis colloquium/submitted Ph.D. thesis but did not obtain Ph. D. degree will be considered for the post of SRF (bridging fellow) and will be upgraded to RA-I once they get provisional Ph.D. degree.

Nationality: Applicant should be an Indian citizen.

Fellowship: As per rules of IACS.

Tenure: Initially for six months and may be extended for another six months.

The interested candidates may attend the interview with a complete resume (mentioning email address) sent to Professor Sugata Ray of School of Materials Science (mssr@iacs.res.in).

For further details, candidates may contact:
