

# Indian Association for the Cultivation of Science

## 2A & 2B, Raja S.C. Mullick Road, Kolkata

**Advt. N:- AB/SMS/035**

**Dated: 23/06/2023**

Applications are invited for recruitment of one Research Associate (RA-I) in the School of Materials Sciences under the supervision of Prof. Asim Bhaumik

**Name of Post:** Research Associate-1 (RA-1)

**No. of Post:** One

**Nationality:**The applicant must be an Indian citizen

**Broad Research Area:**Materials Chemistry

**Essential Qualifications:** The candidate should have a Ph.D. degree in Chemistry with experience in the synthesis of nanomaterials, metal-complexes, coordination polymers and MOFs. Preference will be given to the candidates having experience in single crystal structure analysis, and applications like sensing, catalysis, arsenic detection, etc.

**Age limit:**Should be below 35 years on the date of application.

**Fellowship:**As per IACS rule.

**Tenure:**This position is temporary (one year) and can be extended further one year subject to the recommendation of the evaluation committee based on his/her performance after one year. The candidate will have no right to claim (explicit or implicit) any post in the institute.

**Last date for receiving application:**July 7, 2023

Candidates may send their applications containing complete bio-data including publications list to Prof. Asim Bhaumik, School of Materials Sciences, IACS, Jadavpur, Kolkata-700 032 by e-mail : [msab@iacs.res.in](mailto:msab@iacs.res.in) latest by July 7, 2023.

The applications will be shortlisted based on academic credential and research experience supported by publications in peer-reviewed journals. Shortlisted candidates will be requested to appear for an online interview. The exact date of online interview will be communicated to the shortlisted candidates only.
