

INDIAN ASSOCIATION FOR THE CULTIVATION OF SCIENCE

Jadavpur, Kolkata – 700032

Adv. No. TKP/SCS/53

Date: 11-09-2026

Research Associate-I Position in the School of Chemical Sciences, IACS

Applications are invited for two Research Associate-I (Institute funded) positions in the group of Prof. Tapan Kanti Paine, School of Chemical Science, Indian Association for the Cultivation of Science. Applications with complete bio-data may be sent by email to ictkp@iacs.res.in by September 25, 2026.

The applications will be shortlisted based on academic credential, research area and experience. Shortlisted candidates will be requested to appear for an interview in the last week of September 2026. The exact date, time and mode of interview will be communicated to the shortlisted candidates only.

Essential Qualifications: Candidates should have a PhD degree in Chemistry with research experience in synthetic inorganic chemistry with special focus on biomimetic and mechanistic inorganic chemistry. Knowledge in bioinspired catalysis, electrochemistry and spectroscopy is desirable. Candidates who have submitted PhD thesis/defended open thesis colloquium are also eligible to apply but their final selection and emoluments will be guided by the rules of IACS.

Research Area: Biomimetic inorganic chemistry and bioinspired catalysis

Duration: Six months from the date of joining as RA-I/Bridge fellow. However, an extension for another six months may be granted based on satisfactory performance.

Emoluments: As per the rules of the institute.

The position is purely temporary, and the candidate will not have any right to claim (explicit or implicit) any permanent post in the Institute. No TA will be admissible for attending the interview.

For further details, candidates may contact:

Prof. Tapan Kanti Paine, School of Chemical Sciences, E-mail: ictkp@iacs.res.in
