Advt No.: AJP/SPS/045

Date: 25/8/2023

Research Associate-II (RA-II) position in the School of Physical Sciences

Applications are invited for a RA-II position under the supervision of Prof. Amlan J. Pal in the School of Physical Sciences.

Name of post: Research Associate-II (RA-II)

No. of post: 1(one)

Nationality: Indian

Essential Qualifications: Good academic record and publications with a Ph.D. degree or a thesis submitted for a Ph.D. degree in physics. Research expertise in the field of ultra-high vacuum scanning tunneling microscopy and spectroscopy, quantum materials and applications, and device physics is desirable.

Fellowship: As per rules of IACS

The position is purely temporary for one year and can be extended for another one year subject to the continuation of the project and the recommendation of the research advisory committee at the end of the initial tenure for a given candidate. The candidate will not have any right to claim (explicit or implicit) any post in the institute.

Method of application: A detailed CV should be sent as a PDF file through email to sspajp@iacs.res.in by September 14, 2023. The subject line of the email should read as "Application for Research Associate-II".

Shortlisted candidates will be informed of the interview schedule through email.

No TA will be admissible for attending the interview.
