

INDIAN ASSOCIATION FOR THE CULTIVATION OF SCIENCE
Jadavpur, Kolkata - 700032

Adv No:SA/SAIS/010

Date:26. 02. 2021

Interview through online mode for a **Research Associate-I (1 post)** will be held at the School of Applied & Interdisciplinary Sciences, IACS. Interested candidates with the following qualifications are required to apply along with a full bio-data through email to **camsa2@iacs.res.in** within 15 days from the publication of this advertisement.

Essential Qualifications: PhD in any branch of Chemical Sciences. Candidates who have submitted PhD thesis but are yet to receive the degree are also eligible. The fellowship will be equivalent to SRF position until the PhD certificate is submitted. A candidate must have a Master's degree with 55% marks with Chemistry as one of the major subjects at Bachelor of Science level from a recognized University. Research experience of the candidate should be supported by publications in peer-reviewed journals.

Desirable: The candidate should have NET/GATE qualification. Preference will be given to candidates with research experience in the field of supramolecular chemistry and optoelectronic applications via supramolecular self-assembly approach.

Research Area: Supramolecular self-assembly and applications of functional supramolecular organic materials in optoelectronic devices

Emoluments: As per the rules of the institute.

Tenure: The post is purely temporary.

For further details, candidates may contact:
