Adv No:SKS/SMS/024

Date:07. 04. 2022

Research Associate position in the School of Materials Sciences

Applications are invited through e-mail for the appointment of Research Associate-I in the School of Materials Sciences, IACS. The deadline of receiving applications is **20.04.2022**. Interview will be on **21.04.2022** through online mode. Interested candidates having following qualifications may send their full bio data to Prof. Shyamal Kumar Saha at smsks558@gmail.com.

Name of the post: Research Associate-I

Number of posts: One (01)

Research area: Magnetism in two-dimensional materials.

Essential Qualifications: Candidates must have a Ph.D. degree in Physics/Material Science or related field with relevant research experience from a recognized University or Institute.

Candidates who have submitted the thesis and awaiting award of degree may also apply.

Desirable qualifications: Candidate must have knowledge about the synthesis of two-dimensional materials in soft chemical route and study of basic electronic and magnetic measurements, like PPMS, SQUID, etc.

Tenure of Fellowship: Initial appointment will be done for six months, which is subjected to extend up to 1 year based on the candidate's performance review and position availability.

Fellowship: As per rule of the institute.

Shortlisted candidates will be informed via email.
