

INDIAN ASSOCIATION FOR THE CULTIVATION OF SCIENCE
Jadavpur, Kolkata - 700032

Adv No:AP/SCS/038

Date:20. 06. 2022

Applications are invited for the post of a **Research Associate-I (1 post)** at School of Chemical Sciences IACS, Jadavpur, Kolkata-700032.

Essential Qualifications: Candidate should have a Ph.D. in Chemical Sciences in the area of computational quantum chemistry with consistently good academic records, Candidates with expertise in application of DFT and ab-initio methods for understanding reaction mechanisms are strongly encouraged to apply. The candidate should have first class or high second class in B.Sc. & M.Sc. degrees in Chemistry/Physics with minimum average marks of 60%.

Research Area: Modeling of catalytic processes by organometallic species using DFT and ab-initio methods

Fellowship: As per the rules of the Institute.

The interviews will be held on **05/07/ 2022** starting from **10:30 a.m** in online mode. A web conferencing link will be emailed to the shortlisted candidates.

The post is purely temporary for **six months (6)** but may be extended for a year contingent upon satisfactory performance and availability of funding. Interested candidates with the above qualifications and experiences are requested apply with CV along with contact details (mobile no. and email address) to (PI: Prof Ankan Paul) the e-mail: rcap@iacs.res.in

All applications must reach Prof. Paul before 5 pm of 04/07/2022

For further details the applicants may write to:
