

Indian Association for the Cultivation of Science
2A & 2B, Raja S.C. Mullick Road, Kolkata-700032

ADV. No.: AD/SCS/62

Date: 28/09/2026

Applications are invited for two RA-I (Institute) positions under the supervision of Prof. Abhishek Dey, School of Chemical Sciences, Indian Association for the Cultivation of Science.

Name of the post: Research Associate-I

Number of posts: One (01)

Research Area:

Broad Research Area: Physical Inorganic Chemistry

Specific Research Area: Reaction mechanism with iron porphyrins

Essential Qualifications: The candidates should have a Ph.D. degree in Chemistry. Candidate should have well established research experience in synthetic porphyrin chemistry, mechanistic investigation with resonance Raman spectroscopy, Mossbauer and EPR. The claimed experience should be supported by publications in internationally reputed journals.

Fellowship: As per rules of IACS.

Age limit: Should be below 35 years on the date of application. Age relaxation is applicable as per Govt. rule.

Tenure of Fellowship: One (01) year from the date of joining as RA-I. The candidate will have no right to claim (explicit or implicit) any post in the institute.

Note: No TA/DA will be admissible for attending the interview.

Application Procedure: The interested candidates should send a cover letter along with their resume (mentioning email address and phone number) as a single PDF to Prof. Abhishek Dey via email (icad@iacs.res.in) on or before 5 PM, 14/10/2026. Applications received after this time and date will not be entertained.

Only the shortlisted candidates will be notified regarding the date and time of the interview.

For further details and clarifications, if any, the candidates may contact:

Prof. Abhishek Dey, Senior Professor, School of Chemical Sciences,
Indian Association for the Cultivation of Science, Email: icad@iacs.res.in
