

INDIAN ASSOCIATION FOR THE CULTIVATION OF SCIENCE

2A & 2B, Raja S.C. Mullick Road, Jadavpur, Kolkata 700 032. India

Telephone: (91) 33 24734971, Ext.2115, Fax: (91) 33 2473-2805

Adv. No. MM/SPS/69

Date: 28-10-2026

Applications are invited through e-mail for the **Research Associate-I** position in the **School of Physical Sciences**, IACS, Kolkata. **The deadline of receiving applications is 12th November 2026.**

Name of the post : Research Associate – I (RA-1)

Number of post : One (01)

Fellowship : As per rules of IACS.

Research Area: Experimental condensed matter physics with a research focus on single crystal growth of perovskite materials, opto-electronic transport and 1/f noise measurements.

Duration: Initial appointment for the one year and may be extended further depending on the performance.

Essential qualifications: Candidate should have minimum average of 55% in M.Sc. degree in Physics, with minimum average of 60% marks in B.Sc. (Hons in physics). Those who have submitted his/her thesis and waiting for the degree will also be considered.

Desirable qualifications: Preference will be given to the candidates with research expertise in single crystal growth of perovskite materials. The appointee will pursue 1/f noise measurements and optoelectronic transport on single crystal of an optically active perovskite compound for the purpose of making high energy photon detections.

Application may send their application containing complete bio-data including publication list to Prof. Mintu Mondal, School of Physical Sciences, IACS, via e-mail: sspmm4@iacs.res.in with cc to mintumondal.iacs@gmail.com.

Shortlisted candidates will be informed via e-mail about the interview schedule. No TA/DA will be given to the candidates called for the interview.
