

Indian Association for the Cultivation of Science
2A & 2B, Raja S.C. Mullick Road, Kolkata

Advt No. AB/SMS/039

Dated: 30/07/2024

Applications are invited for recruitment of one Research Associate (RA-I) in the School of Materials Sciences under the supervision of Prof. Asim Bhaumik

Name of Post: Research Associate-1 (RA-1)

No. of Post: One

Nationality: The applicant must be an Indian citizen

Broad Research Area: Materials Chemistry

Essential Qualifications: The candidate should have a Ph.D. degree in Chemistry with experience in the synthesis of nanomaterials, mixed metal oxides, MOFs and POPs. Preference will be given to the candidates having knowledge in single crystal structure analysis, and expertise in heterogeneous catalysis, CO₂ capture, etc.

Age limit: Should be below 35 years on the date of application.

Fellowship: As per IACS rule.

Tenure: This position is temporary (one year) and can be extended further one year subject to the recommendation of the evaluation committee based on his/her performance after one year. The candidate will have no right to claim (explicit or implicit) any post in the institute.

Last date for receiving application: August 12, 2024

Candidates may send their applications containing complete bio-data including publications list to Prof. Asim Bhaumik, School of Materials Sciences, IACS, Jadavpur, Kolkata-700 032 by e-mail : msab@iacs.res.in latest by August 12, 2024.

The applications will be shortlisted based on academic credential and research experience supported by publications in peer-reviewed journals. Shortlisted candidates will be requested to appear for an online interview. The exact date of the online interview will be communicated to the shortlisted candidates only.
