General Instructions

For Group A positions written test will be for screening purpose only. Final selection will be done for the shortlisted candidates scoring atleast the cut off marks (mean + 2*Standard Deviation) on the basis of performance in the interview.

For Group B positions written test will be followed by a relevant trade/skill test for the candidates scoring at least the cut off marks (mean + 2*Standard Deviation), schedule of which will be notified in due course of time. Final selection will be done on the basis of the 50% score of the written test + 50% of the score in the skill/trade test.

Final selection for all the positions will be subject to scrutiny of all the papers and testimonials. Candidature will be subject to cancellation, even if at the final stage of selection, if documents are found to be not in order at any stage of the recruitment and induction process.

This instruction set supersedes all the earlier instructions.
