

INDIAN ASSOCIATION FOR THE CULTIVATION OF SCIENCE

(An Autonomous Institute under DST, GOI and Deemed to be University u/s 3 of the UGC Act, 1956)

2A & 2B Raja SC Mullik Road, Jadavpur, Kolkata 700032, India

Advt. No. BBD/SBS/069

Date: 19/12/2025

Advertisement for Senior Research fellow position in School of Biological Sciences at Indian Association for the Cultivation of Science (IACS).

Name of the Post: Senior Research Fellow (SRF)

Funding Agency: ANRF–SUPRA Project

Number of Posts: 01 (One)

Essential Qualifications: Candidates should have 3–4 years of hands-on research experience in Molecular Biology and Mitochondrial Biochemistry.

Research Area: Research in our laboratory focuses on understanding the molecular mechanisms of DNA damage response pathways in the nucleus and mitochondria. We are particularly interested in identifying stress-induced novel post-translational modifications of proteins and evaluating their roles in genome maintenance and mitochondrial function.

Nationality: Applicant must be an **Indian citizen**.

Fellowship: As per **IACS rules**.

Duration: Initially for **one year**, extendable based on **satisfactory performance**.

Date & Mode of Interview: An **online interview** will be held on **30th December 2025 at 12:00 PM**.

Only **shortlisted candidates** will be invited for the interview.

TA/DA : No TA/DA will be admissible for attending the interview.

Application Procedure: Interested candidates are requested to send their **complete CV** (including email address and contact details) to the email address given below.
