

Colloquium
24th March 2026, 3—5 PM, C V Raman Hall, IACS

Cold Atom-based Quantum Sensing and Quantum Computing

An initiative under
National Quantum Mission

Colloquium I

Speaker: Dr. Aishik Acharya, CQuERE, TCG-CREST

Time: 3:00 – 4:00 PM, 24th March

Title: Absolute Quantum Gravimetry using Cold Atoms

Colloquium II

Speaker: Dr. Bimalendu Deb, School of Physical Sciences, IACS

Time: 4:00 – 5:00 PM, 24th March

Title: Neutral Atom-based Quantum Computing

Tea/Coffee/Refreshments will be served at 5:05 PM
