Report on celebration of 'International Mother Language Day'
February 21, 2023

In pursuance of the directives of the Department of Science & Technology, Government of India, Indian Association for the Cultivation of Science celebrated the International Mother Language Day on February 21, 2023 on the theme **"Multilingual Education - A Necessity to Transform Education"**. It is a worldwide annual observance to promote awareness of linguistic and cultural diversity and to promote multilingualism.

The societal component of IACS was involved in celebration of International Mother Language Day, 2023. The programme was inaugurated with a welcome address by Professor Tapas Chakraborty, Director, IACS, followed by a talk on "অন্তহীনের অন্তর্যামী (The original translation of the Book: The Man who Knew Infinity by Robert Kanigel) by Professor Parthasarathi Mukhopadhyay, Dept. of Mathematics, RKMRC, Narendrapur. Recitation of poems, state anthem and speeches were also delivered by some of the students, scholars and staff of IACS in their respective mother tongue viz. Bangla, Hindi, Malayalam, Odia and Santali etc.
